### Reasons for Allowance

1. Based on BPAI Decision of 02/24/012 as well as arguments presented in Appellants Reply Brief dated 09/12/11 and most recently filed amendments of 09/17/12, Examiner is hereby placing claims 1-2, 22-23, 26, 30, 32-33, 41-42, 59-63, 67-69, 71-73 and 129 – 193 in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

“...a document generator program running at least part of one of the applications being edited and generating the generated documents, said generated documents including additional editing features for interpretation by the browser program; and an editor program dynamically operating on the generated documents displayed by the browser program via the editing features...” as best illustrated by FIG. 7, and in such a manner as recited in independent claims 1, 22, 59, 129, 136, 151, 155, 171, and 178.

“...a document store; a first software program including instructions for transforming at least one first document retrieved from the document store into a second document having features which permit editing of the first document such that at least a part of the second document appears and functions similar to the run-time view of the first document; and a second software program including instructions to receive

information from the client computer and instructions to modify the first document stored in the document store....” as best illustrated by FIG. 7, and in such a manner as recited in independent claim 26, 134, 138, 141-143, and 190.

Therefore, claims 1-2, 22-23, 26, 30, 32-33, 41-42, 59-63, 67-69, 71-73 and 129 – 193 are in condition for allowance.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chuck Kendall whose telephone number is 571-272-3698. The examiner can normally be reached on 10:00 am - 6:30pm.
